Change notification – Term 1, 2025

Change of Route: School Bus 12PM

What?

School Bus 12PM route is changing.

Why?

Our School Bus 12 currently picks up students from Mt St Michael's and Marist College's in Ashgrove and travels to Ferny Grove Station via Wardell Street and Samford Road, where it offloads students to our connecting 4.15pm services for Samford, Dayboro and Bunya. This service also sets down students along Wardell Street and Samford Road.

The scheduled arrival time for School Bus 12 at Ferny Grove Station is 4.10pm.

Due to year-on-year increases in traffic along Wardell Street and Samford Road, and the traffic-light signals along those roads that contribute to the build-up of traffic, this service regularly struggles to meet this scheduled arrival time, often arriving after 4.15pm and therefore leading to delays for our connecting services at Ferny Grove Station.

When?

From Wednesday 26th February 2025 onwards

Details

School Bus 12 will continue to start at Mt St Michael's, and after transferring students at Marist College Ashgrove, will run as express along **Waterworks Road, Settlement Road and Samford Road**, before continuing as normal through **Upper Kedron Road** and onto **Ferny Grove Station**.

The traffic is consistently less heavy along Waterworks Road and our service can take advantage of the T2 lane. This will improve our arrival time at Ferny Grove Station, reduce delays for the waiting 4.15pm services and improve travel times for students who travel further afield than Upper Kedron & Ferny Grove

Impacts to some students

Students who would normally disembark the service along Wardell Street should make alternate travel arrangements.

For students who would normally disembark the service along Samford Road, School Bus 12 will operate a "set down as required" service back along Samford Road as it returns to our depot on Pickering Street, Enoggera. These students should plan around an extra 10-20 minute travel time to their journey.
